Pharrell Williams -- who will return to *The Voice* for season 8 -- opened up to *Ebony magazine* about everything from his first kiss to the most regretful thing he's done to the opposite sex.

According to **Pharrell**, the worst thing he ever did to a woman was pretend that he didn't like her. That woman is now his wife, Helen Lasichanh.

"I didn't want her to know that I was in love," Pharrell explained.

Pharrell revealed that he was a ladies man well before the fame, saying that he had his first kiss at 12.

"I was really young," said Pharrell.

While Pharrell will be returning for another season of *The Voice*, Gwen Stefani will not, but the two will continue working together outside of the show. They have a new musical collaboration for fans to be excited about.

"I think what the people can look forward to is just a new beginning," Pharrell said of his upcoming album.
