

Olmar Farms

DON'T MISS THIS INCREDIBLE LINE-UP AT THE MINNESOTA HOLSTEIN FIELD DAY!

OLMAR DURHAM BELINDA EX 91

From the Bunny family. Belinda is finding her place among the elite Brood Cows of Olmar Farms. To date, all of her young daughters have scored VG as 2 year olds. Belinda is from a 2E94 Goldwyn x 93 Morty x 4E92 Marty GMD DOM x 2E 91 Emory.

OLMAR MERIDIAN NINNY 2E 93

Ninny is from the Faithful family that has made Olmar Farms its home for almost 80 years. This family is known for exceptional production. Ninny is the 18 th generation from this line with the Olmar prefix – 12 of those generations are EX or VG with none scored under G+.

OLMAR DELTA LAMBDA DAISI EX 91

Daisi from the heart of the Dazzling Star (Grand Champion MN State Fair) family. This family boasts show winners, bulls in active AI and are top producers at Olmar farms. Except her dam who was lost young, Daisi's nearest 13 generations are all EX or VG.

OLMAR CHARISMA COTTONELLE

Introducing a new family to the Olmar herd. Where strength and power have always been a key herd trait – this family takes it to a new level. The Cindy family came from the Dean Opsahl herd in 2009. This family makes their job look easy, milking off their strength and not requiring a high input diet. Cottonelle is backed by 4 generations of VG and EX dams.

OLMAR AXL BELLA LYNDA G+ 83 (FRESH LESS THAN 1 MO) AND OLMAR CHARISMA BOLOXIE VG 86 2 YR

These exciting young cows continue the tradition of the Bella/Barbara family with their eye catching type. The next generation of this family is just beginning to write their story and we are excited to see them shine.

Hosts of the 2023 MHA Field Day

SATURDAY JULY 29, 2023

Olmar Farms is proud to welcome dairy enthusiasts from across the Midwest for the 2023 MHA Field Day. Our team has put together a great lineup of speakers and contests for attendees to take part in. Read more about Field Day happenings below!

Stray Voltage Presenters

Larry Neubauer – Concept Electric

Larry Neubauer is a master electrician with decades of experience in the field of stray voltage, milking equipment operations and overall electrical wiring requirements of dairies. He has extensive experience in testing for stray voltage, as well as testing cows for actual body resistance (not assumed but known). Larry's testing procedures follow an immutable scientific law, known as Ohm's Law. He has testified numerous times in many courts about issues and findings related to stray voltage, milking equipment systems, farm wiring installations, utility primary neutral conductors and their effects on the operation of his clients' facilities. Larry has also reviewed a great number of scientific articles on the phenomenon of stray voltage and its effect on dairy cows. He has significant personal field experience in both observing and evaluating the effects of electricity at varying levels on dairy cows and how that affects both the cows and farm management.

Noble Salisbury, Salisbury Electric

Noble Salisbury, owner of Salisbury Electric Inc., is a Master/Journeyman Electrician with 38+ years of experience in design, engineering and installation of commercial and agricultural electrical systems. He is committed to the development of electrical systems that improve operating efficiency for the agricultural community. Noble works with livestock farms to prevent and mitigate stray voltage from affecting livestock by designing infrastructure to eliminate future issues. He is a certified UL panel builder and holds patents in moisture control retrofits for grain dryers and monitoring of Neutral to Earth Voltage recording for livestock farms.

Schedule of Events

10:30 AM | Barns Open

11:00 AM | Judging Opens

11:30 AM to 1 PM | Lunch Served

1:00 PM | Judging Closes

1:00 PM | Speaker

2:15 PM | Judging & Door Prize
Winners Announced

Junior Presenter

Mark Rueth

JUNIORS!

Here is your opportunity to learn from one of the greatest showmen of all time!

Mark Rueth, who owns Rosedale Genetics with his wife Nicky Reape in Oxford, WI, will be demonstrating the finer details of taking your showing and animal prep to the next level. Mark has owned, prepared and shown some of the finest cows to walk the colored shavings from Tom Dee to Redrose (1st st R&W to win Supreme Champion at WDE). His judging and showing skills have taken him around the globe, judging the World Dairy Expo, Royal Winter Fair and Swiss Expo. Don't miss this once in a lifetime experience to learn from the best!
