Powerhouse Organization Moms for Liberty Launches New Chapter in Ozaukee County, Wisconsin

Grass roots organization Moms for Liberty has announced the launch of a new, local chapter in the Ozaukee County/Northshore area as the latest addition to their impressive and growing list of chapters. Now established in 37 states, Moms for Liberty has organized over 200 local chapters since their inception in January of 2021.

Parents have felt increasingly frustrated and concerned by the actions of their local government and school districts. Moms for Liberty helps these parents organize and amplify their voices to achieve the most important goal: results. Parents, grandparents, educators and community members are joining the organization in droves to exercise their rights while defending liberty.

“There is a fundamental disconnect that exists between families and ‘the system.’ Parents often feel they are up against a machine, unheard and frustrated. We are leading the effort to close that gap and effect lasting change.”

- Scarlett Johnson, Chapter Chair of Ozaukee County Moms for Liberty

“We are happy to launch our chapter to help parents that feel isolated and shut out, to be heard and understood”

- Monica Martyn, Membership Chair, Ozaukee County Moms for Liberty

The organization works to empower parents and they are committed to holding elected leaders accountable while focusing on preserving crucial, founding principles of our nation: limited government, personal responsibility and individual liberty.

Moms for Liberty has been successful in achieving results in their growing movement that is sweeping the nation while recapturing the rights that many parents feel are under constant attack.

Moms of Liberty Ozaukee recently launched their first event with a showing in the Mequon-Thiensville Fun Before the Fourth Parade. Children, dads, grandparents and moms joined in the patriotic fanfare. Come see us at the Ozaukee County Fair August 3-7.
