Forward Ozaukee Presents Dr. Lee Hildebrand

On June 23, doors will open at 6:00pm at the Cedarburg American Legion for our next speaker event. Dr. Lee Hildebrand, a renowned local psychologist and professional speaker, will lead an engaging conversation on “Screen time: What Parents Need to Know for Themselves and Their Children” at 6:30pm.

With the plethora of online activity in which we participate each day, how is this affecting us? Or our children? As a local online addiction expert, he will share with us how much screen time is healthy and how to curtail harmful habits.
