**Lady of the Lake**

But you're not alone, Arthur. Haven't you noticed? I've been with you all the time. Who gave you the sword Excalibur? Who made you King? Who welcomed you to Camelot? Who helped you off on your quest? Sure, I've been off stage for far too long, but I am here to help you, and I always have been, and so has Patsy. You see, Arthur dear, we're all here to help each other. Now you have to finish the show. It is a musical, so you have to find the Grail and end with a wedding.
