

FAMILY

Service

&

FINANCIAL

Obligation

EXAMPLES

- * Super Bowl Squares
- * Scrip (RaiseRight)
- * BINGO
- * Raffle Tickets
- * ND Annual 5K Color Run... and more!

2025-2026

The family financial obligation can be derived entirely from participating in events that produce funds for the school. Families not meeting their financial obligation by the end of the year will be billed accordingly.

Fundraising activities are announced during the year and are included in the Notre Dame Student Handbook.

All payments for the Family Service & Financial Obligation will be billed using Incidental Billing on your FACTS Family Portal

You may choose 3 ways to handle your obligation:

- To be billed for the \$500.00 in its entirety in September
- To be billed monthly (4th Friday of the month) from September - April, in the amount of \$62.50 (8 payments totaling \$500.00)
- To participate in fundraising activities throughout the year until I have reached my Family Service & Financial Obligation of \$500.00 knowing that I will be billed for the remainder of the balance in April
