

Charisse Malone, MSW

Marked Tree Community Liaison

Charisse brings extensive experience and expertise with providing direct service to clients in several populations, and is driven to serve as a community leader and volunteer for her community. She is an alumnus of Marked Tree High School. Through her community attributes, she assists local sports teams and organizations, participates in community activities, and advertises events happening within her community via social media. She is also well verse in supporting local fundraising initiatives.

With over 10 years of mental health experience, Charisse's career speaks to her passion for improving the health outcomes within the community of Marked Tree. She earned her Bachelors of Science degree in Interdisciplinary Studies and a Masters of Social Work from Arkansas State University. Her current hobbies include spending time with her daughter and family, traveling and trying new adventures.

When asked what she is looking forward to the most about this program, Charisse replied; "I am looking forward to partnering with individuals in the community who want to see the community of Marked Tree grow forward. I look forward to being an advocate and voice of change by bringing awareness of different needs of the community. Whether its advocating for policy, or setting up a farmers market; this program gives me hope that change can and will happen."
