

## **Lachandra Johnson**

### **Marvell Community Liaison**

LaChandra is a resident of Marvell Arkansas as well as an alumnus of Marvell High School. With more than 10 years of mental health experience, she is dedicated to improving the community of Marvell. Lachandra serves in the areas of social work and social services as she is committed to her duties as a Social Worker and Community Liaison for the Marvell/Elaine School district and works rigorously to serve on a local nonprofit community board within her area.

LaChandra's career speaks to her passion for advocating for individuals in her community. She wants to educate individuals on the subject of health, which may be difficult to understand due to lack of resources.

When asked what she is looking forward to about this program, she replied; "I am looking forward to having the opportunity to make a difference and create opportunities in the community where I have always lived. I look forward to networking with other stakeholders, and researching data needs which will bring awareness on health issues that can effectively improve my rural community.
