

Revelation 17 *Made Simple*

To be presented by Steve Wohlberg, Author of,

[The Bloody Woman and the Seven-Headed Beast](#)

1: An end-time angel. “The great harlot” *now “sits” on many waters.*

2: *Already fornicated with kings.*

3: John is “carried away” *from his time to behold this fully-formed wicked woman in the end-times.*

4: The Roman Catholic *Church.*

5: “Babylon” has harlot daughters (*post-Reformation*)

6: Persecutor for centuries.

7: Explaining the mystery.

8: *See Revelation 13:8.* The beast is the RCC as a political entity. Wounded in 1798.

Soon healed. *Thus 1798 is the point of reference for this vision.*

9: “Seven heads [the symbol] *are* [the application] seven mountains on which the woman sits” *in Rome.*

10: “*Also seven kings.*” Dual application. **In 1798**, five “kings” (kingdoms) had fallen: Babylon, Persia, Greece, Pagan Rome, Papal Rome. “One is” (USA). The 7th comes for “a short space” (America’s dragon/image phase).

11: The to-be-resurrected beast is *the political papacy*.

12: 10 horns parallel the daughters. *Apostate Protestant churches* have no kingdom yet until they align with state powers. EGW supports this conclusion.

13: Protestant Churches will support the Pope.

14: They war against Jesus/His people.

15: Multitudes support Babylon.

16: Apostate Protestants turn on the papacy.

17: God's words fulfilled.

18: The "woman"/"city" is *Rome*.
