LETTER FROM PASTOR BOBBY

Summer Greetings First Methodist Stanton Family!

June Was A Busy Month Again!

In the middle of June we had our Rainforest Falls Vacation Bible School. For 4 evenings, our elementary aged children learned that God is our creator, God knows everything, and God is our safe place. The kids participated in worship, music, games, crafts, Imagination Station, and learned 3 bible stories. We averaged 50 children each evening and over 60 Adults and Youth volunteers. Thank you to all in our church who helped by volunteering, donating supplies, and praying for our Vacation Bible School!

We had our first annual FMC Stanton Family Night At The Ballpark. We went to see the Midland Rockhounds Momentum Stadium on Wednesday, June 24th. We rented the new Party Decks. It was a great time for everything! We had 77 attend! We are looking forward to next year's FMC Night at the Ballpark!

We were blessed by the Spirit Wind Youth Choir concert on Saturday, June 27th. Thank you to those who came out to support Nathan Alberts and all the Spirit Wind Youth Choir.

LETTER FROM PASTOR BOBBY

Looking Ahead

We will be sending two groups of children and youth to Church Summer Camp in July. Our rising 4th through 6th graders will be attending Elevate at Camp Butman and our rising 6th through 10th graders will be attending Camp Nova at Ceta Canyon. This will be a time of worship, growing in friendship with one another, and most importantly, a time for our children and growth to connect with and grow in their relationship with God. Please keep our children and youth in your prayers as they get ready for church camp!

Prayer Focus For This Month

Please Pray For:

Children and Youth Summer Church Camps

Pray that our Children and Youth will experience God's love in a deep and vibrant way and that church camp will be a time of deepening relationships with Jesus and one another.

God Bless,

Pastor Bobby

It is the story of a young man, Mason Crewe, who upon graduation from college, where he had just discovered Annie Warner, the girl of his dreams, found himself abruptly commissioned as Second Lieutenant, and stationed at the 38th parallel, in the thick of battle in 1951 Korea. After months of combat, Mason was seriously wounded, and discharged to return to his boyhood home. He confronts a world that has not changed, but he feels detached from everything and everyone who should give him comfortable familiarity.
