LETTER FROM PASTOR BOBBY

Greetings First Methodist Stanton Family!

Why I Believe In The Church

I shared a brief message at the church picnic on “Why I Believe In The Church”. That includes our local church, FMC Stanton, and The Church of Jesus Christ, which all denominations and local church are a part.

I believe in the church because it is God’s design for inviting people into community and into relationship with Jesus. I believe the church has the unique mandate from God to bring people into the family of God and to nurture them. This stands in contrast to much of what people experience today. While we have more means of connecting with one another than ever before, studies show that people feel more disconnected with others than ever before. The church IS the answer to what is called the Loneliness Epidemic of our time.

FMC Stanton Family, may we be encouraged to invite those that are lonely, hurting, and lost into our family of faith. May we do this not simply to increase numbers and meet goals and metrics. May we do this so that we can help connect people to the greatest healer and comforter ever, Jesus Christ.

LETTER FROM PASTOR BOBBY

Looking Forward

We have some exciting things coming up for our children and youth ministries. We will have Vacation Bible School from June 15th-June 18th. Be sure to invite anyone you know with children ages 4 years old to rising 6th graders to come and attend. In July we will be sending many children and youth to church camps at Ceta Canyon and Camp Butman, and No Fret Guitar Camp. Please be in prayer for VBS and the camp camps and that those attending may experience God's love and come to know Him more deeply!
