

Dear Directors,

The time has arrived and best of luck to everyone. Attached is a map of the campus and locations you will need to be aware of.

1. When you arrive, park your bus on the **backside** of the campus **in the grass area North of Pecan Street**. There will be someone there to direct you. Restrooms are available in the new field house located on the north end of the field. Please keep students quiet in this area. Remember there will be someone there to assist you. If it rains we will park buses on the streets, if it is too wet to park in the grass.
2. Equipment trucks can be unloaded in the gate and field across from your parking area, by the stadium.(Enter from Pecan) Once you have unloaded, move your truck to the other end of the field and wait for pick-up and reloading after your band's performance. Once again there will be someone there directing you. There is plenty of room to turn equipment trucks and trailers in this area.
3. When it is time to go to your warm-up area, we will have monitors to take you around.
4. In the warm-up areas there will be a monitor keeping track of time. If you would like for them to give you time notices just let them know. I am trying to find a warm up area for pit, but don't know if I can find one that cannot be heard on the performance field.
5. On the way to the performance area after warm-up, we will have a water station for your group.
6. After your performance, there will be a monitor directing you through the exit from the field and to your loading area.
7. When you have completed your performance all results and Director packets can be picked up in the press box.
8. All spectator parking will be in the front parking lot. Enter from Norris Street.
9. There will be contest memorabilia for sale under the grandstand.

Directors, there will be food and drinks for you in the press box. Please let me know if there is anything you need through the course of your day. Please keep small children out of the press box even if they are yours. Collins Music Center will be on hand if you have any minor repairs needed to be done. If for some reason, a student forgets something, we can try to help find an instrument for them to play.

If you are looking for places to eat in the area and the concession stand does not meet your standards, please contact me and I will help you find something. Suggestions (Mikeskas, McDonalds, Whataburger, KFC, Jack in the Box, Country Pride BBQ, Golden Phoenix Chinese, Pizza Hut, Mr. Gatti's, Pinchers, Uptown Grill, Texas Steakhouse and Seafood, Schulze's, and Subway.) If you have any questions please call me at 979-533-8797.

Twirler contest has been moved to Ricebird Gym by the main parking lot.
