Invoice # 2023

Hundred Oaks Civic Association

2023 Annual Dues

\$400.00

2022 Police Patrol was reduced due to a lower amount of funds collected. We ended the campaign drive on March 31 and budgeted with funds collected by that date. We found it too difficult to to coordinate collections throughout the entire year while adjusting the actual patrols we could afford. We hope to collect a large amount of funds by March 31, 2023 and provide 4 hour patrols, five days per week in marked police cars for the entire year. We need your support.

On www.100oaks.org, Facebook & Nextdoor.com you can find a payment link and the available crime reports indicating a decrease in activity in Hundred Oaks since the inception of patrol in 2017. The patrols work....

It is our goal this year to double the membership and provide patrols all seven days a week and extend the patrol hours.
