SEEKING NOMINATIONS TO FILL TERM VACANCIES

The WIC Association of NYS, Inc. (The Association), has vacancies on its Board of Directors. We are looking to fill the following positions:

Capital: one Consumer

Central: one Provider

Metro: one Advocate and two Consumer

Western: one Provider, one Advocate and one Consumer

Members may nominate people from regions other than their own. All nominees for Provider must be members of The Association.

To learn more about these roles and to nominate, visit <https://nyswica.org>.

Email completed Board Nomination to: Cindy Walsh at icassociationofnys@gmail.com.

Nominations will be accepted until Wednesday, March 2nd COB.

All nominee profiles will be posted on our website <https://nyswica.org>, under the Board Membership tab before voting commences.

Learning Opportunities

Comprehensive Nutrients in Infant Formula: Optimal Outcomes

Presenter:

Michael J. Fitzgerald, MD

Medical Director, Elmhurst Hospital NICU
Edward-Elmhurst Health System, Elmhurst, IL

Tuesday, February 22, 2022 - 7:00pm

Wednesday, February 23, 2022 - 9:00pm

Thursday, February 24, 2022 - 3:00pm

Register online at www.inceptionmeetings.com/routine
and select the date and time of the program you wish to attend.

Learning Objectives:

- Discuss the impact of nutrition on growth and development in the first 1000 days of life
- Review the effects of prebiotics and HMOs in the infant gut and their role in supporting infant health and development
- Explore the importance and role of DHA and ARA during the neonatal period and beyond, with a focus on brain/cognitive and eye development
- Describe the unique characteristics of MFGM components, as well as its role in brain and immune health
