A. Players are expected to travel and stay with parents.

Q. Where do we stay when we travel?

A. More info TBA. We will send this out

Q. I am a pitcher only. Why is my player fee the same as position players?

A. Inside Pitch Cyclones “Event Teams” are about providing players opportunities to perform and showcase their skills in front of the most college recruiters and professional scouts possible. Pitchers will receive the same scholarship offers, pro bonuses and salaries as position players. Opportunities for pitchers are also greater as there are more roster spots for pitchers at the next level than there are for specific position players.

Q. What other services does Inside Pitch Cyclones Baseball provide?

A. Players should consider Inside Pitch an additional resource for referral and reference to any interested college or scout. **We have placed over 250 players into colleges across the USA and Canada.**

Q. I am too young for college recruiters and pro scouts. Why should I attend a national event?

A. The major tournament organization offer national events beginning at the 14U age classification. These events are also excellent opportunities for younger players to assess their abilities against national level competition, gain confidence and to become accustomed to the pressures of performing before professional evaluators.

Q. What uniforms/equipment do we need?

Answers Below.

- Players need to provide and wear white pants
- Red belt
- Matte Red Helmet (we provide a Cyclones Logo helmet sticker to be applied).
- Any undershirts should be red or black
- Red Socks if showing
- Any sweatshirts or jackets worn at field during games must be Inside Pitch brand or IP Cyclones brand
