

## ADDITIONAL TREE LOCATIONS

There are several “collections” of Treasured Trees shown on reverse map. When visiting these, you will need to reference a specifically mapped location to find them on the property where they stand...

**INSTRUCTIONS:** On your computer, open Google Maps. In the search box at the top, type your coordinates. You'll see a pin show up at your coordinates. Then choose “walk” directions to the pin/location.

### Please respect private property when viewing Treasured Trees.

Most can be viewed from public roads or greenways. For those without public road access, please follow the instructions below:

#### CAMP ROCKMONT

Treasured Trees can be viewed only during months when summer camps are not in session, visiting from August 15th - May 15th is permitted. Please call office ahead of time and leave a message to notify them of your visit to view the trees.

Camp Rockmont office, (828) 686-3885.

#32 Tulip Poplar [circa 1900] 35.631272, -82.364200

#33 Tulip Poplar [circa 1900] 35.630906, -82.363931

#34 American Sycamore [circa 1915] 35.628549, -82.363294

#35 Yellow Buckeye [circa 1870] 35.627694, -82.362500

#36 American Beech [circa 1870] 35.627947, -82.362854

#37 Eastern Hemlock [circa 1920] 35.628911, -82.364582

#### VETERANS PARK

This is a public park, and open daily from 7am - 10pm

This is a public greenway, accessible daily from 7am - 10pm

#20 Yellow Buckeye [circa 1850] 35.622502, -82.317829

## OUR PURPOSE

- Bring public awareness to these valuable and irreplaceable trees
- Encourage stewardship of our urban forest
- Protect trees from indiscriminate removal or irreparable damage during development
- Raise awareness of the diversity, sensitivity and importance of the tree canopy

### Please respect private property when viewing Treasured Trees.

Most can be viewed from public roads or greenways. For those without public road access, please follow the instructions below:

#### BLUE RIDGE ASSEMBLY

Trees on the YMCA Blue Ridge Assembly Property can only be viewed during organized Treasured Tree tours. Contact the SV Museum for information on the next Treasured Tree Tour.

#### THE BLACK MOUNTAIN HOME FOR CHILDREN

Viewing of Treasured Trees on this private property must be done as part of an organized Treasured Tree tour with permission from the organization although some of the Treasured Trees can be viewed anytime from Lake Eden Road.

Funds for the printing of these brochures generously donated by Black Mountain Savings Bank, with graphic design services contributed by ThreeSheets:Design & photos provided by SVTA member, Candace Freeland.

## NOMINATION CRITERIA

Trees can be nominated as Specimen or Historic  
As SPECIMEN:

Tree of distinctive size, age, beauty or significant value

As HISTORIC:

Tree has association with a historic structure, person or event

Trees must be structurally sound and have full potential to reach mature size and form

Trees must be visible from publicly accessible locations

Treasured Trees may be located on either public or private property within the Swannanoa Valley. Trees on private property must be nominated with written consent of the property owner.

Species confirmation, measurement, and age estimations will be made by the SVTA after a nomination is made and permission is given by owner.

## TREASURED TREE AWARDS

- Owner receives recognition with a certificate
- Each Tree receives a plaque to identify species and estimated age
- Expert consultation by a certified arborist is available to Treasured Tree owners

## NOMINATE A TREE

To nominate a tree, please complete the online form available at:

[www.SVTreeAlliance.com](http://www.SVTreeAlliance.com)

or send the following information to the address or email below:

- Tree Owner Name, Address, Phone & Email
- Nominator's name & contact info (if different from above)
  - Species of tree (if known)
- Location on property & photograph(s) of tree
- Explanation of why the tree should be considered a Treasured Tree, including historical info about the tree or surrounding property
- Let us know if we can include your tree on the Treasured Tree map

Mail nomination submissions to:

The Swannanoa Valley Museum

P.O. Box 306, Black Mountain NC 28711

or email to [info@SVTreeAlliance.com](mailto:info@SVTreeAlliance.com)

For specific locations to each registered tree, reference the listed street address (or see reverse side for instructions).

(Trees are numbered by their nomination order.)

Read about each tree's history, story and coordinates online at:  
[www.SVTreeAlliance.com](http://www.SVTreeAlliance.com)

\*Listings noted that have additional location instructions on reverse side.

## TREES IN SWANNANOVA

Some of the Treasured Trees in the Greater Swannanoa Valley area are not shown on the map, but can be found by the listed street address.

[For specific tree locations, see reverse side] Black Mountain Veterans Park encompasses 27.2 acres for users to play, walk, fish, gather, exercise and relax. The park features walking trails, picnic tables, ball fields and disc golf course.

**BLUE RIDGE ASSEMBLY**  
Trees on the YMCA Blue Ridge Assembly Property can only be viewed during organized Treasured Tree tours. Contact the SV Museum for information on the next Treasured Tree Tour.

NOTE: Map is not drawn to scale. Roads shown for general location and navigation to trees only.

Treasured Trees can be viewed only during months when summer camps are not in session. [For viewing instructions and specific tree locations, see reverse side]

**BLACK MOUNTAIN SWANNANOVA CHAMBER OF COMMERCE**  
201 East State St. • 828-669-2300  
Visit us today or go online for area information:  
[www.ExploreBlackMountain.com](http://www.ExploreBlackMountain.com)

Walk the "DOWNTOWN LOOP" to see 11 of our registered trees!  
[Approximately 2.5 mile loop, 45-60 minute walk]

Visit the SV Museum website to view additional trees that have been nominated.
