Turnkey Guidebook

Comprehension Intervention
Strategies for building students' fluency and comprehension skills.

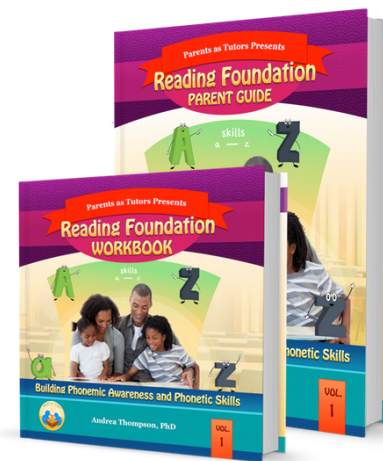

Reading Foundation
Strategies to help children understand differences between vowels, consonants, uppercase and lowercase letters, and practice guided letter-writing.

Blending and Segmenting
Comprised of strategies that parents will use to build students' decoding skills, recognition of word parts, blends, digraphs, vowel patterns, etc. Steps to help children develop and decode cvc, ccvc, and cvcc words, while creating word walls, and sounding high frequency words.

Understanding Words
Comprised of strategies for helping students understand and apply the rigors of vocabulary and grammatical rules.

Complementary Resources
Additional independent activities for practicing skills learned.

Turnkey Guidebook
Guidance for using the full set of parents as tutors resources to increase students' reading level. A relevant resource.
