

STACK HOSPITAL FOR PETS BOARDING CONSENT FORM

WE ARE NOT RESPONSIBLE FOR ITEMS LEFT WHILE BOARDING

EMERGENCY: It is my understanding that while boarding my pet at Stack Hospital for Pets, their staff has the authority to treat my pet in the event of an emergency. Emergencies may include persistent vomiting or diarrhea, injury or other potential life threatening contagious illness deemed an emergency by the veterinarian or a risk to other boarding animals. I understand and agree that my pet needs to be current on vaccines required for boarding, free of fleas and ticks, and free of intestinal parasites. I will be financially responsible for any and all treatment deemed necessary with regards to emergency care, vaccines, and/or parasite control.

I _____, have read, understand and agree to the above conditions.

I _____, understand that my pet will be treated with Capstar (a flea adulticide) at admission and discharge from boarding. This will allow us to maintain a flea-free kennel.

NON-EMERGENCY: I understand that all doctors and staff at Stack Hospital for Pets make every reasonable effort to keep my pet comfortable while boarding. I hereby give my consent and permission for the professional staff to examine, diagnose and treat my pet for a non-emergency condition, which may include ear infections, skin problems, eye problems, or other disorders causing my pet discomfort but not life threatening.

I _____, agree to assume financial responsibility for these non-emergencies services.

I _____, decline non-emergency treatment for my animal.
