# 2020 Summer Fun Farm Fridays in July

For children with special needs or life challenges.

Join us this July to ride and learn about the world of horses!

### Program Outline

This program is designed to safely challenge children to explore the many activities they can have fun learning and doing with horses. The kids will have a full morning of **riding**, energetic **teamwork contests**, low-key **horse knowledge table games**, **water activities**, **horse stories**, **equine crafts**, & **barn chores** with **new friends**, all focused on learning about their horse buddies. While they are busy having a great time, the children won't even know they are expanding their social & cognitive skills, getting exercise and fresh air.

**On the farm it's all fun!**

*\*\*All activities are facilitated by certified PATH Intl. Therapeutic Riding Instructors & Equine Specialists in Mental Health & Learning.*

**The children will definitely have fun on the farm!**

**The Friday Dates:** July 10<sup>th</sup>, 17<sup>th</sup>, 24<sup>th</sup>, 31<sup>st</sup> from 9 a.m. to noon.

**For Ages:** 6 – 12 yrs. Riders will be grouped by age and riding experience.

**Cost:** \$300. Siblings may attend, if space is available.

**Parents:** You may drop off your child, stay & relax at the farm, or join the fun!

**Registration deadline is: 5/30/2020. No deposit required.**

## Why choose White Fawn Farm?

- **White Fawn Farm is a member center of the Professional Association of Therapeutic Horsemanship International.** PATH Intl. sets the industry standards for professionalism, safety, and efficacy for the centers and professionals working in equine-assisted activities and therapies (EAAT).
- White Fawn Farm’s programming staff are:
  - **PATH Intl. certified Advanced and Registered level Therapeutic Riding Instructors** with years of training and education in disabilities, teaching methodologies, learning styles, techniques to support, challenge, and progress children and adults, and of course, riding.
  - **Credentialed Equine Specialists in Mental Health & Learning** with backgrounds in education and/or mental health. They provide challenging curriculums to encourage personal growth and build self-esteem.
- The White Fawn Farm staff and team of well trained volunteers, model **a culture of acceptance and appreciation for all unique abilities.**
- White Fawn Farm provides **a safe and supportive environment** that allows for individual learning and progress when interacting with and riding the horses. Our multi-sensory environment and inclusive teaching strategies are designed to support all learning styles and differences. Accommodations and modifications are utilized when needed, to promote individual success.
- We are **a family focused program.** We value families and understand the unique challenges they can experience when a member has special needs/life challenges.

### TESTIMONIALS

*“I believe my son has improved his executive functioning and his physical strength. The instructor’s fun yet challenging lessons provide him the opportunity to organize his thoughts and plan his movements in a supportive environment. His multitasking has improved, too. Riding the horse and learning skills like posting have increased his core and leg strength as well.” – Christy (Matt’s mom)*

*“I think the most important improvement for Livi since starting lessons at White Fawn Farm is the increase in her self-confidence. Her instructor, has also been working with her by teaching her skills to help with her anxiety and to gradually become more independent.”- Autumn (Livi’s mom)*

*“Anna has become much more confident in her riding and her interaction with the horses which has helped with her self-esteem and her anxiety. She “owns” her experience which gives her a sense of independence and happiness.” – Diane (Anna’s mom)*

**White Fawn Farm’s Mission:** *Enrich the lives of families dealing with disabilities and other life challenges through personalized equine therapeutic programs including interacting with horses on the ground, on horseback or in a horse carriage.*
