The diagram illustrates a phylogenetic tree with 15 taxa (L40 to L55) and their associated numerical values. The tree is rooted at 375 and branches out into several subgroups. The taxa are color-coded: L40-L43 are red, L44-L47 are green, L48-L51 are blue, and L52-L55 are orange. The numerical values are placed in boxes along the branches, representing some form of distance or support metric.

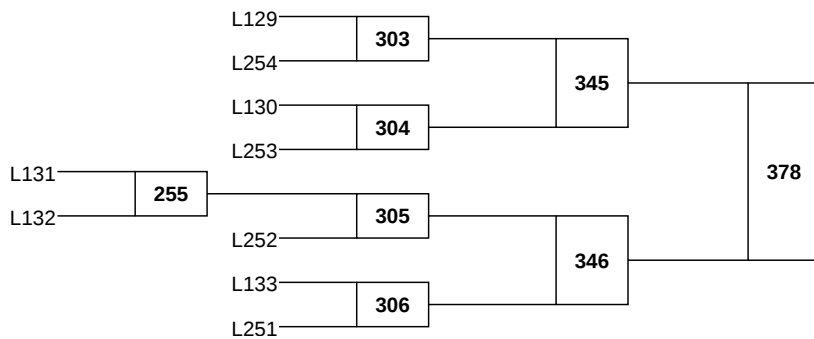

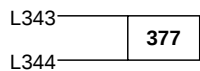

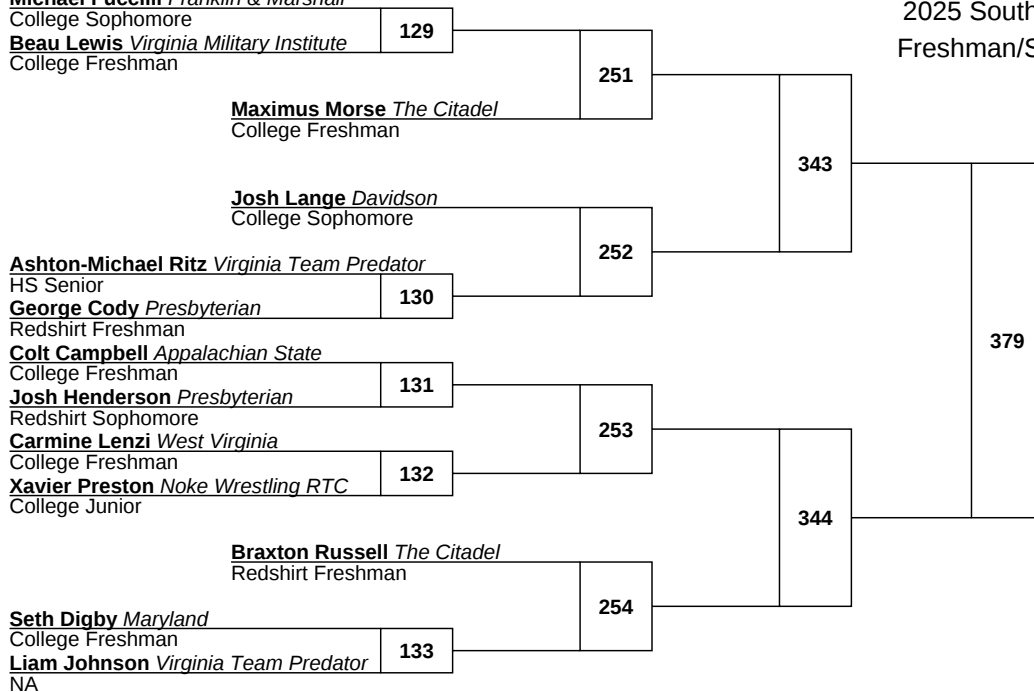

Taxa and their values:
