A WORD FROM US

Hello Brother and Sisters,

We hope this update will find you well and serving the Lord faithfully.

We have so much to share, however, we are going to focus on the big news and try to communicate how blessed we have been.

On December of last year, we had one of the most memorable times of our lives as we enjoyed New years eve with the church we helped to plant in Tapira village. It was such an incredible moment to be able to see so many saved people together with strong leaders, which brought tears to my eyes. I could not believe God did so much through us despite our inabilities and flaws. Even more when I saw the church building coming up, all done by themselves. No, we don't mean to brag about our efforts, for I believed we didn't do enough to deserve such an honor, but I mean to share how great our God is, and how he uses even people like us to help to build up his kingdom.

Also, all the projects and plans we dreamed about have come true recently; our family boat, Tapira project, and all the other items needed for our mission. All of that was only possible because of you and your prayers to our Holy God. We cannot thank you enough.

Finally, at the beginning of this year God blessed us with our third child: Layn Abner Olimpio. He arrived on January 25th, and along with him a cloud of joy and excitement to the whole family! We have fallen in love with him, and each day is a crazy joyful and wonderful experience. Layn came in a very important moment to our family.

On January, we had a leadership training (Haggai Institute) that changed the course of our lives. We came to the conclusion of God's will for our family, and how we can better glorify his holy name. My heart is on fire for this new moment of my life, and I cannot wait to experience more of Him.

I will attach the pictures down below so you can see a little bit of these blessing I am talking about.

Thank you for being with us all these years and for allowing us to have the most incredible experiences in the mission field as a family. We owe you more than you can imagine.
