

The Scarlett Letter

The Golden Triangle Irish Setter Club, Inc

May 2020

I think we've all heard all we want to hear about COVID19. Dog shows are cancelled through July with some clubs cancelling events into November. We can only hope that everything is back on track by August 1st.

I hope that everyone is doing well and staying healthy.

Mother's Day is this month. We are getting used to making the best of the situation.

I had a folder, a huge folder, that Ruth had given me years ago. It was falling apart so the information and photos were put into a new scrapbook. It's from 1979. It covers GTISC's first Specialties and Sanctioned Match. The very first Specialty catalog is included, along with the 2nd and 3rd copy of the Scarlett Letter. The Scarlett Letter includes the Membership Roster for 1979. I have included the original cover page with the original logo.
