

The Scarlett Letter

The Golden Triangle Irish Setter Club, Inc
November 2018

Happy Thanksgiving to all. This is a time to reflect and be thankful for friends and family. The holidays will soon be here.

Thanksgiving
National Holiday

Thanksgiving Day is a national holiday celebrated on various dates in Canada, the United States, some of the Caribbean islands, and Liberia. It began as a day of giving thanks for the blessing of the harvest and of the preceding year. Similarly named festival holidays occur in Germany and Japan. Thanksgiving is celebrated on the second Monday of October in Canada and on the fourth Thursday of November in the United States, and around the same part of the year in other places. Although Thanksgiving has historical roots in religious and cultural traditions, it has long been celebrated as a secular holiday as well.

Dog News

from the Rescue side....

We received news of the tragic death of Sandy Fisher, a big part of Irish Setter Rescue. Joan has worked closely with Sandy over the years.

May the shamrocks fall softly~~~

This was submitted by member Laura Williams back in 2008. For our newer members, Laura came to be a part of our family when she adopted "Bailey", who has since gone to the Rainbow bridge. She now is mom to "Vinnie" & "Abbey".

The Meaning of Rescue....

The original version of this poem was printed for the ISRA National Specialty Show 2008, Irish Setter Parade of Rescues.... By "Author Unknown" Baltimore Bailey was so inspired by it,,, he wanted to take the theme of baggage and share his point of view....

Now that I'm home, bathed, settled and fed,
All nicely tucked into my warm new bed.
We must open my baggage
it's there by the door
It's so full of things I would rather ignore
There is so much to carry -
So much to regret.
So many things that I'd rather forget.
It's time to unpack If you think I can stay
For things to be different we must find a new way
Right there by my leash hides fear and shame
I feel maybe I was the one to share blame
I loved them, the others, the ones who gave up,
Not good enough, or simply just not the right pup.
Can we now unpack loneliness, heartache and loss?
can we wrap that stuff up in a bag and just toss?
Will you look at my things and just take me back?
Or give me a chance to become part of your pack?
Do you have a place for me and my gear?
Do you have the time, for me to be near?
I pray that you do, I'm so tired you see
But I do come with baggage
Will you still want me?
