Basket Raffle - Deb has some items as of now. If you want to donate items or a basket, let her know.

Craft Table- we have in stock items. If you want to share your talents to our table, your donation will be greatly appreciated.

Auction Items: -- going through club stock in my attic, I found items that were donated or left from years back used for an auction that we have not held at our specialties in many years. I'm trying to use all club stock up each year so keeping that in mind, I want to have an auction table set near or with our crafts for next year. What this means, we need people to man the craft, basket and auction tables. This will be brought up at our general meetings when discussing our shows. ~~~ Deb Lawrence

Some changes were made by the cluster concerning our "space". We will only have the use of the one building where our ring is at. We will still be able to park by the other building and it will not affect our caterer. Unhappy us. Hopefully this changes in the future.

The information for the Premium list/catalog has been submitted to MB-F.

ISCA National Specialty 2018 - will be held in Huron OH June 4th - 9th, Sawmill Creek Resort. Any updates and current information can be found on the ISCA website, www.irishsetterclub.org This National is 3 hours from us. Can't get any closer than that!! The ISC of Ohio is the host club and has pre-sale shirts for sale. These items help them to defer costs of hosting. Order forms can be found on their club website and Facebook page. Our member, Bobbi Fisher is also a member of Ohio and has the information and shirts. Reservations for the host hotel opened up in October and are now full.
