

The Scarlett Letter

The Golden Triangle Irish Setter Club, Inc
September 2020

September has arrived where we look forward to school bells, football and the upcoming fall season. With the COVID guidelines in place, it certainly has made for a different approach to these times and activities we are looking forward to. School is online and, in the classroom, no fans at sports games, and dog shows too, have been affected. Shows began again at the end of July, sparingly. Many clubs have already cancelled into the first of the year. The few shows that are scheduled can be cancelled at any time. Ohio has allowed, under strict guidelines, for shows to be held. No spectators are allowed and you must show proof you are entered in the show to get on the grounds. We have been to 3 different show weekends throughout August. It was nice to get out. Masks and social distancing were a must and state health board officials inspected to be sure that clubs and exhibitors were compliant. All was well and shows went on. Let's all pray that this way of life soon ends and we get back to normal.

Dog News

Congratulations to~~~~
