

# Conard Bulletin

## Conard House Launches New Food Kiosk at the Conard House Transitional Housing Program at the Marilyn Inn

- Opened February 5, 2024
- Capacity at Marilyn Inn is 30 residents
- Delivery 3 days/week
- 140+ meals/week total
- Conard House is partnering with Farming Hope and Byte Technology to offer the on-site food program at 2 sites for up to 140 residents with the goal of expanding to all 750 residents.
- The SH Food Kiosk Program is the first-ever 24-hour self-serve model of its kind.
- Farming Hope is an apprenticeship culinary program.
- Byte developed a high-tech refrigerator that tracks the inventory and provides self-serve access to fresh, healthy prepared meals and grocery items.

“They use real steak! Not just beef!”

“It’s fantastic!” “It’s really good!”

“Two 👍 up! I’m so grateful for this!”

“The food is so good that it reminds me of my grandma’s cooking. It’s tasty and healthy at the same time!”

**Conard House Digital Literacy Program**

See the monthly calendar on the Conard House website  
[conardhouse.org/digital-literacy](https://conardhouse.org/digital-literacy)

Exceeding monthly goal of 120 digital training hours by 20%
