Benefiting the Gold Coast Chapter #456 Philanthropic Programs

The American Hellenic Educational Progressive Association (AHEPA) is a fraternal organization founded in 1922.

Your generous support of this event will allow AHEPA to serve its Mission while providing valuable exposure to a network of professionals, business leaders, and community influencers. It is more than just a day on the course — it is an investment in tradition, impact, and visibility.

Ball4Life, Like A Daisy, Tunnel To Towers Foundation, St. Jude Children's Research Hospital, AHEPA Service Dogs for Warriors, American Friends of the Blind, Alzheimer's Disease Resources Center, St. Michaels Nursing Home, Hellenic Relief, Greek Children's Fund, Covenant House, Ronald McDonald's House and Nassau County P.A.L. are just some of the many philanthropic and educational programs Chapter 456 will support in 2025.

Sponsoring, playing and dining with us offers an opportunity to align yourself with a respected service-driven organization committed to philanthropy, education and community development.
