CLEAN ANIMALS

God expects all who desire to have a relationship with Him to live holy lives (Exodus 19:6; 1 Peter 1:15). The Bible says following God's instructions regarding the meat we eat is one aspect of living a holy life (Leviticus 11:44-47).

Here is a summation of the clean (acceptable to eat) and unclean (not acceptable to eat) animals found in Leviticus 11 and Deuteronomy 14.
