Shabbat Message

Ki Tisa / When You Take / כִּי תִשָּׂא

Exodus 30:11-34:35

Seeds of Life Series:

Torah the Seeds for Life

The Choice

Introduction

In this chapter we finally get into topics such as census and ransom money and how to handle such things and then we see Yehovah making instructions for the priests to make the Basin for

Washing also called the Bronze Laver or the Sea of Glass and finally before getting into our main message today we see the ingredients of the Holy Anointing oil that is only to be used by the priests and not to be replicated in any way shape or form. I say that from experience

Shabbat is for the Seed or Us

Exodus 31:12-17

1. There was a special reason that Yehovah told Moses for the Children of Israel to keep the Shabbat because it is a sign between Him Yehovah and Us.
2. Specifically this has to do as an identifier for the people to know who their God was.
3. Then Yehovah uses keep or shomer which means to guard the Sabbath. He uses it twice along with other words such as observe. We also see that it is a sign again to show us who our Creator is.

Yehovah's Instructions Broken

Exodus 31:18

1. After Yehovah finished speaking with him which He began to speak in Exodus 20 all the way to 31 He gave the tablets of stone to Moses.
2. Why are they called the Tablets of the Testimony? It comes from the Hebrew word edut which signifies a witness or evidence of divine revelation and moral obligation.

3. The finger of God was very Messianic and it is specifically connected to the Kingdom of God. It signifies the arrival of Yeshua's Kingdom through power and signs and wonders. (Luke 11:20).

When There is a Delay People Play

Exodus 32:1-3

1. When the people saw that Moses delayed on the mountain the people gathered around Moses and wanted him to make them gods.
2. They took all of the earrings and jewelry and things left over from them using it for the Tabernacle and they gave it to Aaron to use for their idolatry.
3. When Yeshua has delayed His coming man has devised his own holidays and gods that do not even resemble the God of the Bible! 1.) In the last days there will be scoffers 2 Peter 3:3-4 2.) In the last days there will be a falling away as well.

The Seeds False god

Exodus 32:4-6

1. Aaron who was just consecrated as High Priest decided to act in the flesh and he fashioned the gold into a golden calf and He made it Yehovah!
2. He then built an altar before the calf and made a proclamation to celebrate a feast for it!

(1 Kings 14:9).

3. They rose up early in the morning and sacrificed burnt offerings and fellowship offerings.

Then the people ate and drank before the idol. By sitting in front of the idol they broke covenant with Elohim to make covenant with this false Elohim.

When Moses Returns

Exodus 32:17-20

1. When Moses went down the mountain He saw the revelry going on like a modern day rave! He said to Joshua there is no war in the camp but the sound of singing.
2. It is okay to be righteously angry! Yeshua was angry at the turning of the tables in the temple
3. Then Moses took the idol and made them drink it!

Take Away

1. Moses went up the mountain and received the Torah and delayed His coming.
2. When there is a delay the people play
3. It is okay to be righteously angry!

Application

1. Today I will set my heart to worship only Yehovah and not idols.
2. Even though Yeshua delays His return I will continue to faithfully look for His coming.
3. I will be one of those who groans over the abomination of our day! (Ezekiel 9:4).
