ALL of our **MOEDIM** Dates (Appointed Times) are celebrated according to the **BIBLICAL NEW MOON/ROSH CHODESH** (the dark covered moon and not the crescent moon). The Biblical Calendar is a **LUNI-SOLAR CALENDAR** and not a Lunar or Solar Calendar; with **DAYS** and **FEASTS** beginning at **SUNDOWN** and with the first month of the Year starting in **AVIV (NISSAN)** in the Spring and not in **TISHREI** in the Fall. Our **Rosh Chodesh** Dates reflect our **local area times** which begin the Sundown closest to Lunation (others observe it the sundown before or after lunation or whichever lunation time is closest to sundown times). Please check your Local Times for Lunation and Sundown Times if you prefer. Our **Moedim & Feast Dates**, reflect our **Local Area dates**.

The dates above are **PROJECTED**: The Spring and Fall feast days are subject to change based on the ripening of the Barley Harvest, which will determine whether it is a Normal Year or an Intercalated Year. Aviv Watchers are anticipating it to be a Normal Year, yet if any changes arise, the Spring Calendar will start in April instead.
