New Beginnings Series:

Cultivating New Life Through Surrender and Trust in God's Word

Believe What You Can't See

Introduction

In Noach we see in Ch. 6 that the earth was very corrupt and everyone was doing evil continually and violence was in the land. No one was seeing Yehovah at this time because everyone was busy doing what was right in their own eyes. That is not what Noah did as we shall soon see. He was blameless in all of his generation which in the Hebrew that word actually

means that he was without blemish in his DNA because everyone's DNA was being mixed with fallen angels but not him and his line. He was righteous in all that generation as we shall soon see.

Enter the Ark

Genesis 7:1

1. Elohim instructed Noah and His family to enter the ark that he had make for him and his household.
2. You alone Yehovah had seen that he was righteous before Him in that particular generation. However this time He was the ONLY one to be serving Him.
3. That generation was evil in heart, mind and soul so Elohim was going to destroy it.

Clean from Unclean

Genesis 7:2-3

1. Yehovah told Noah to take 7 pairs of every clean animal. This was for sacrifices and eventually food which He was already providing for us before hand.
2. Then He said take two of every unclean animals because someone was going to be have to collect the garbage. Lev. 11:1-31; Deut 14:3-20.

3. Seven pairs of bird as well to keep them alive.

Yehovah Sends Rain

Genesis 7:4-5

1. After seven days Elohim was going to send rain.
2. It rained for forty days and forty nights in which it wiped out all things living on land. Notice He did say anything about the animals in the sea.
3. Noah acted in accordance with everything that Yehovah had commanded him. He obeyed Yehovah's instructions.

Noah's Family and Animals

Genesis 7:7-9

1. Here we see that Noah's Family went into the ark and obeyed Yehovah's commands. Sons and wives notice there was opposite with Lot and his family where his wife and two sons in law perished because of disobedience.
2. The animals obeyed Yehovah in going to the ark. All of creation obeys the Creator.
3. They all went in by twos just as Yehovah commanded Noah. Noah obeyed Yehovah to the letter.

Yehovah Shut the Door

Genesis 7:15-17

1. When Noah and His family and all animals entered the ark the door was shut behind them.
2. When we are in obedience to the instructions of Yehovah we find shelter in His ark and He closes us in.
3. When we are safe with Yehovah then His wrath comes upon the earth!

Take Away

1. God told Noah to gather 7 pairs of clean animals and 2 pairs of unclean animals to go into the ark.
2. The rain came after seven days that God collected all the animals.
3. After everyone was in the Ark God shut the door.

Application

1. Noah was an early example of a follower of Yehovah who obeyed Elohim's Proto Torah or instructions we must follow His example.
2. I will not mix with the world and get my spiritual DNA all messed up like Noah's generation.

3. I will run to my ark of safety which is Yeshua HaMashiach. My shelter!
