Seeds of Life Series: Torah the Seeds for Life

Joseph and The Goyim Seed Connection

Introduction

In this portion we see that Yehovah is working in the life of Joseph as he is promoted to the second highest office in the land as the Prime Minister of Egypt. Now we how Yehovah uses him to save his people Israel from famine and utter devastation. We are so thankful to see how Yehovah sees us far in the future! Romans 8:28.

Joseph's Egyptian Identity

Genesis 41:45

1. Joseph was no longer called Joseph but was given an Egyptian Name just like our Messiah was given an Anglicized English Germanic Name Jesus.
2. Joseph was dressed in Egyptian clothing just as Jesus who is Yeshua is dressed in western or gentile clothing and cannot be recognized by His brethren Judah or by the Nations.
3. Joseph was given a gentile Egyptian wife that was the daughter of the priest of On. Also known as Hieropolis or the City of the Sun and is mentioned also in Ezekiel 30:17.

Yeshua's bride has mostly Gentiles in it and they have forgotten their identity as the Hebraic Bride of Messiah.

Joseph's Rise to Power

Genesis 41:46

1. Joseph was 30 years old when he started to reign as Prime Minister and to go throughout the land of Egypt.
2. Yeshua was 30 years old when He began His ministry.
3. Yeshua went out from the Father's presence and went to the earth. (John 3:16)

Joseph Gathers the Harvest

Genesis 41:47-49

1. Joseph gathers in the harvest during the seven years of plenty.
2. Joseph gathered in the harvest so much that He could keep record of how much.
3. Yeshua gathers in a harvest of souls currently as we are in a day of plenty until the number won't be able to be counted.

Joseph's Two Sons were Born

Genesis 41:50-52

1. Joseph gets two sons born to Him one was Manasseh who is Called Elohim has caused me to forget all of my trouble and all my father's house.
2. Yeshua's second son is Ephraim meaning because Elohim has made me fruitful in the land of my oppression.
3. Ephraim becomes a multitude of Nations as is prophesied by Jacob in a few chapters. He is a symbol of the Gentiles being grafted into Israel.

The Times of Jacobs trouble in Genesis

Genesis 41:53-56

1. The years of abundance is up and the 7 years of famine starts there was no in between.
2. The years of abundance we are in right now of grace will be open very soon when judgement will come suddenly 1 Thessalonians 5:3.
3. Just as the whole world will come to Joseph in Egypt to buy food. The whole world will go to Yeshua in Jerusalem to learn the Torah and how to please Yehovah His Father.

Zechariah 14

Take Away

1. Joseph was in like Yeshua in that He has a Gentile name and not a Hebrew name.
2. Joseph was like Yeshua in that he came into power at age 30 just as Yeshua came into His ministry at 30.
3. Joseph was given a Gentile Bride who was the daughter of a sun worshipping priest and Yeshua has a Bride that has become mostly Gentile with the mixture of Sun Worship in it.

Application

1. Today I will be thankful I am part of Yeshua bride that does not mix sun worship with Torah living.
2. Today I will continue to go to Yeshua during this time of abundance of the Spirit and His Grace and Torah.
3. Today I will be ready for the time of famine or Tribulation to break out and not be cut off

guard.
