Seeds of Life Series: Torah the Seeds for Life

Given to Other Gods

Introduction

This is the next to the last portion for this Torah cycle as week wrap up this series our messages this year should have been directly about the Seed or things regarding the seed and things that are applicable to the seed. Israel has a special place in Yehovah's heart as their God He started

over mankind by raising up a descendent of Noah Shem and from Shem passed on the knowledge of El Elyon all the way to the descendant Abraham from Babylon. This is Moshe's last song and basically his last testament. Lets see what we can see in here regarding idolatry.

We Need The Rain

Deuteronomy 32:2

1. Moses' prayer was that Israel would not be like the hardened and thorny soils of Yeshua's parable (Mark 4:1-9). Rather, he wanted them to be like tender herb and sprouting grass.
2. My teaching (liquat) in the Hebrew can be defined as doctrine. Doctrine in itself is NOT bad as long as you stay in line with Yehovah's doctrine. Man's doctrine will always be false.
3. Let it distill like rain let it flow like rain reminds us of the prophet Isaiah 55:10-11 and also else where in 1 Corinthians 3:6-8. Our job is to plant the seed where as some might water it and then Yehovah does the growing.

Proclaim The Name of Yehovah

Deuteronomy 32:4

1. First of all our responsibility is proclaim the name of Yehovah to the nation of Israel first then to the nations...the goyim. (Exodus 33:19; 34:5,6).

2. Give Glory to the Greatness of our Elohim.
3. These are almost one in the same commandments and they both have to deal with the Majesty of Yehovah and His Kingship.

Remember The Good Ole Days

Deuteronomy 32:7

1. We are to remember the days of old...why? This is how we learn and not learn to repeat our ancestors sins.
2. Consider the years of all generations. Ps 78:5-8!
3. So that our children will have confidence in our God!

Boundaries According To Who?

Deuteronomy 32:8

1. El Elyon (The Most High) gave the nations their inheritance when He separated mankind he the boundaries of people according to the number of the sons of God (Bnei Elohim).
2. Both the DSS and the LXX have Bnei Elohim where as the Masoretic text has Sons of Israel. Israel didn't exist at that point in time which have been during the time of the Tower of Babel.
3. Yehovah gave the nations over to other gods or Fallen Ones. They are real gods however

He is the Most High. He can't be called the Most High if there weren't others to be higher than! Ps 82.

Israel is Yehovah's Inheritance

Deuteronomy 32:9

1. For Yehovah's portion is His people.
2. What does portion actually mean. It literally means in the Hebrew that Israel is the Lords Territory. (1 Sam 10:1; 1 King 8:51,53; Jer 10:16). This is ultimately our territory!
3. Yaakov is the allotment of His inheritance. We are His inheritance.

Take Away

1. The Word of Elohim will fall like rain and it won't return forth void.
2. Our responsibility is to proclaim the name of Yehovah to Israel and to the nations.
3. We are His territory.

Application

1. I will proclaim the name of Yah!!
2. I will thank Yehovah for allowing me to be part of His territory.
3. I will ascribe the Greatness of our Elohim.
