ALL of our **MOEDIM** Dates (Appointed Times) are celebrated according to the **BIBLICAL NEW MOON/ROSH CHODESH** (the dark covered moon and not the crescent moon). The Biblical Calendar is a **LUNI-SOLAR CALENDAR** and not a Lunar or Solar Calendar, with **DAYS** and **FEASTS** beginning at **SUNDOWN** and with the first month of the Year starting in **AVIV (NISSAN)** in the Spring and not in **TISHREI** in the Fall. Our **Rosh Chodesh** Dates reflect our **local area times** which begin the **Sundown closest to Lunation**, while others observe it the **sundown before or after lunation**. Please check your Local Times for Lunation and Sundown Times if you prefer. Our **Moedim & Feast Dates**, reflect our **Local Area dates**. Feasts dates should never be a point of contention or division. The point is to "Keep the Feasts", for obedience is better than sacrifice (**1 Samuel 15:22**). So whether you keep the Feasts according to the Aviv, Conjunction or the Rabbinical Calendar, keep the Commandment of keeping His Appointed Days.

The dates above are **PROJECTED**: The Spring and Fall feast days are subject to change based on the ripening of the Barley Harvest, which will determine whether it is a Normal Year or an Intercalated Year. Aviv Watchers are anticipating it to be an Intercalated Year, yet if any changes arise, the Spring Feasts will start in March instead.
