

## **From Your Neighbors in the Hudson Tea Condo Association**

Dear Neighbor,

As residents of our community, it's important to support candidates who are dedicated to making our city an even better place to live. That's why we're excited to endorse one of our very own neighbors and former board member, Marla Decker, candidate for 2nd Ward City Council, for the upcoming election on November 7th.

We are supporting Marla Decker because we believe as a Councilperson she will produce results for our neighborhood. From 2011 – 2021, Marla served as a member of our board of directors. During her tenure on our board, she exemplified professionalism, listened to the residents' concerns, took care to hire the best for our building and take care of our loyal staff, and always acted with integrity and full transparency. She was often the voice of reason and worked tirelessly to ensure that the building affairs were dealt with efficiently and in the best interest of the residents. During the end of her tenure, she took on the role of President during the difficult period of the pandemic, and worked to find consensus across various viewpoints.

Marla is also a great neighbor and friend. She lives at 1500 Garden with her husband, two middle school aged sons and now two dogs – Waterloo and Oakley. Marla is a seasoned professional, community volunteer, and working parent. With a law degree from Cardozo Law School and an engineering degree from Cornell University, Marla knows how to address complex problems, negotiate across diverse interests, find common ground, and get things done.

Please support Marla and vote on November 7<sup>th</sup>!

Sincerely,

Cleopatra Todis and Dieter Wagner (1500 Garden)
