Dale A. got sober at this meeting. His sobriety date is February 23, 1983. He does not remember who else was present at the meeting. Sandy L. started in February 1984. There were two other members present: Bill C. and Billie S. Average attendance at that time was 2-6. Sandy left the area in January 1990. Occasional visits found the meeting in the Library. By then a meeting had started in Sierra City.

The Downieville meeting sponsored a BBQ Speaker Meeting for several years but that has been discontinued. Currently, the average meeting size is 3-6. It is an Open meeting and a varied format, ranging from speaker/participation, topic discussion, etc.
