## GENERAL INFORMATION SHEET - Scholastic Year 2026-27

### Jr.KG, Sr.KG and Balvatika (Earlier known as Nursery, Jr.KG and Sr.KG)

**Your CHILD is the "focus" of everything that happens at Thumbelina!**

The main aim and objective of our three-year Preschool Program is, **to build a "firm foundation for life"** and through it, develop **"readiness"** for elementary schooling **in every child** by igniting their curiosity to explore, discover and develop a joy for learning amidst a stress-free, safe, secure, loving, hygienic and an immersive environment as we truly believe it is only then, that children **will be encouraged to being proactive and confident to learn and interact well with each other and everyone around them.**

**THUMBELINA - the most trusted brand when it comes to preschool education since last 50+ years!**

To stall the spread of Covid-19, when our government initially announced a 21-day countrywide lockdown from 22<sup>nd</sup> March, 2020, no one had ever imagined that schools would not be permitted to re-open for the **next two years**! It is indeed a matter of great pride for **Thumbelina to be the very first preschool amongst a few others** to realize it quite early on, that something had to be urgently done – **firstly, to safeguard children against developing feelings of neglect and negativity while they remained cooped up indefinitely at home; and secondly, to quickly up-skill ourselves to offer an efficacious Blended Remote Learning alternative to "classroom-based" learning for our young children to ensure they firmly stayed on their developmental track in the event of an extended lockdown.**

**Our foresight & vision, our deep understanding of child psychology, our positive attitude of "doing whatever it takes" coupled with our sheer love for children,** enabled us to display the courage and resilience to quickly adapt to the **"new normal"**. **During the lockdown period, more than anyone else, it was the "mother" who was the most over-worked and stressed-out in every home.** This was the primary reason why, our efforts were first focused on guiding and supporting the **'mothers'** as without their involvement, it would have been impossible to make their children smoothly transition from "classroom" to "screen-based" learning. Observing how our highly experienced educators were able to keep children willingly and happily engaged despite all the challenges, made are parents feel greatly relieved. I'm sure you've heard of the saying, **"When the going gets tough, the tough get going."** Well, at Thumbelina, **we "got going"!** While majority of the preschools grappled to deliver online learning efficaciously, children at Thumbelina were protected from suffering a **'significant loss of learning'**... No wonder why, Thumbelina continues to be the most trusted brand when it comes to preschool education since 5 decades!

**Our High-Quality Preschool Program caters to children between 3 to 6 years of age**

Our **'high-quality'** preschool program is **'fine-tuned'** to cater to children who mostly come from non-English speaking backgrounds. By delivering learning that is **'age-appropriate'**, we focus on developing **'eight areas of skill'** in our children namely, **life skills, gross-motor skills, fine-motor skills, communication & language skills, socialization skills, emotional skills, writing skills and numeracy skills.** Building these skills go a long way in helping young children build a **'readiness'** for transitioning smoothly into the **more regimented structure of elementary education commencing from Class-1.**

2) The 1 <sup>st</sup> Term Fees are payable at the time of securing admission.		
3) The 2 <sup>nd</sup> Term Fees are to be paid before 30-09-2026 failing which a late fee of Rs. 500/- will be payable.		

## FEE REFUND REGULATIONS

For any reason(s) whatsoever, after securing admission and payment of either the 1<sup>st</sup> Term or the 2<sup>nd</sup> Term fees, if the parents desire to cancel the admission, they shall be eligible for a refund after deduction of Rs. 5,000/- towards cancellation charges provided the written intimation requesting for cancellation of admission is submitted on or before 31-05-2026 for 1<sup>st</sup> Term's Fees and on or before 30-11-2026 for 2<sup>nd</sup> Term's Fees. **NOTE : Parents will not be eligible for any refund if the written intimation is submitted beyond the above mentioned two dates.**

Further, in the event of cancellation of admission, fees paid are non-transferable in favour of any other child's admission. Therefore, parents who have a transferable job or are likely to get re-located inside/outside Ahmedabad/India due to change of job/business/profession or any reason whatsoever, are advised and requested to take admission and pay the fees only after such uncertainties have been clearly dealt with at their end. **Kindly also refer to the "Food/Medicinal Allergies, Habits & Health Disorders" paragraph mentioned below for further fee refund regulations.**

## SCHOOL UNIFORM

**BOYS :** Red T-Shirt and blue denim shorts. **GIRLS :** Red T-Shirt and blue denim skirts.

**(Important: As every Wednesday is a 'free dress' day, buy only 2 sets of uniform & socks and 1 pair of shoes)**

Black coloured (artificial leather) shoes with "velcro (not laces) and plain white coloured socks are common for both. The school uniform as well as canvas shoes and socks will be available from PINTOO GARMENTS, Stadium Circle, C.G. Road, Navrangpura, Ahmedabad. Parents are advised to buy these not earlier than the month of May as otherwise the child may outgrow the measurements. The child's full name, address, telephone numbers, class and Van/Rickshaw-walla's name should be written on the reverse of the name-card and must be worn to school daily. Every child must carry a handkerchief to school daily. The child's name (e.g. Amit) should be embroidered on the handkerchief, the socks and the school uniform and should be written in marking ink on the inside of both the shoes. This will help us in identifying the ownership of lost articles. **Note : Cost of school uniform does not form part of the school fees.**

## SNACKS

As unlimited vegetarian snacks (without chillies) will be served to the children by the school, parents are requested **not to send any separate snacks in tiffin-boxes or water-bottles** with their children to school. Special provision is also made to serve JAIN food to children upon request. The school has installed a "Blue-Star" water-cooler and "Aqua-Guard" water purifying machines to ensure provision of germ-free drinking water. However, for a few days, if carrying one's own water bottle is advised by the doctor, you may send your child to school with his/her own water-bottle.

## TRANSPORT FACILITY

Auto-Rickshaw / Maruti Van facility is available only for certain areas from known and reliable independent operators to transport the children to and from the school. Parents will have to make their own transport arrangements for areas where no transport facility is available. The "TRANSPORT FACILITY FORM" along with the "Terms & Conditions for availing Transport Facility" will be available from the Class-Teacher on the opening day of the school. Although the school management does not undertake any responsibility regarding the service, it screens the persons offering such services and actively front-ends the whole process in order to ensure that the service is reliable and safe. **Note : Transport Charges do not form a part of the school fees.**

## CHILD SAFETY INITIATIVES

Being a child-centric institution, children's "Safety & Hygiene" have always been our prime concern. Log on to our website to know more about the "Child Safety & Hygiene Initiatives" put in place at Thumbelina.

## FULLY AIR-CONDITIONED SCHOOL (Since 2008)

In addition to reducing the discomfort during the summer months, air-conditioning the school has also positively contributed in significantly reducing the time children take to settle down in a new environment !

## FOOD/MEDICINAL ALLERGIES, HABITS & HEALTH DISORDERS

Paying individual attention and taking personal care of each and every child is a constant endeavour at Thumbelina. To assist us in the above, parents are requested to state very clearly in the admission form about any food/medicinal allergies (e.g. Jain food, no chocolates, no maida items, etc.), about any habits (e.g. nail-biting, thumb-sucking, mud/hair eating, nose-picking, etc.) and/or about any health disorders that the child may be suffering from (e.g. epileptic fits, hemophilia, asthma, etc.) which requires special care and/or urgent medical attention. If after admission, it is noticed that the child is suffering either from any physical disability/impairment or from any mental disorder, which in the Management's opinion requires special training techniques unavailable with the school, then the school reserves the right to refuse the student's continuation strictly in the interest of such student. If the child has been unfortunately afflicted by such a physical or mental disability/ impairment/disorder after the granting of admission but before the commencement of the scholastic year, the school management **will refund the fees in full.** However, if discontinuation on such unfortunate grounds occurs after commencement of the scholastic year, then, parents will be eligible for a proportionate refund for the unexpired 'full' months. **No refund of fees however, will be granted** for any willful concealment of such facts.

## TOYS & JEWELLERY

Please do not send children to school with toys or jewellery as we are unable to take responsibility for any losses. The children themselves feel very distressed if their toys are broken and jewellery is dangerous when they are playing on the swings & slides.

## BIRTHDAY GIFTS

While every child's birthday is celebrated in his/her class, the school discourages parents from distributing "carry-home" gifts to classmates as children of other classes experience neglect upon not receiving a gift. Except for Cadbury's "Shots", no other birthday gift is allowed to be distributed in school. Further, only "Stationery Items" can be distributed as a carry-home birthday gift by Jr. KG, Sr.KG and Balvatika students.

## CHANGE OF ADDRESS/TELEPHONE NUMBERS

Kindly intimate the school immediately in the event of any change in your address or telephone numbers as that will enable us to correspond with you at the correct address whenever the need arises. Kindly also remember to update your child's name-card with such changes.

## APPOINTMENTS

Parents are requested not to disturb the teachers during school hours. However, to inquire about their child's progress, etc. they may meet the teacher either before or after the school hours. An appointment with the Principal can be requested for during school hours.

The school management reserves the right to reject any application without assigning any reasons for their action.
