Spring 2024

2024 has been an interesting year so far. It's been an unusually quiet winter out here, but we were able to continue working on several indoor projects in the lodge. Having the kitchen and the upstairs of the lodge remodeled will be so beneficial for this coming season! Also, the interest shown from new groups and returning ones to utilize this new dorm is very encouraging, specially since this mild winter has really affected our sleigh rides and cross-country skiing.

As we prepare for this summer, we already have several groups scheduled, but there is plenty of open spots left. We are hoping to fill the schedule up with church groups and kids' camps.

After two years of repairs, we finally feel ready to run camp well! All that is left to finish is the lakefront projects. We are excited to have the big rope swing, a new beach, and volleyball court open this summer. Thank you to all who made this possible through your generous support last year.

Our Annual Members Meeting is coming up April 9th at 6 p.m. at Northwoods, coffee and desserts served following the meeting. If interested in seeing some of the remodel and updating that is going on, please come out earlier and we will show you around.

We are hosting a pancake breakfast at Northwoods on April 27th. We will be serving from 8:00am-10:00am. Bring your family and friends!

Those who wait on the LORD
Shall renew their strength;
They shall mount up with
wings like eagles,
They shall run and
not be weary,
They shall walk and
not faint.
Isaiah 40:31
