

The following posters best describe our on-going projects in partnership with BigHoop Charities in the Philippines.

LITERACY

Sponsors provide all school expenses each school year, elementary students are given with new shoes, school uniforms, book-bags, umbrellas, school supplies and weekly allowances. In 2014, we initiated college sponsorship for the exceptional high school graduates in our program. In 2019, we have 8 pioneering graduates from a state university within the district and other colleges outside Talakag, Bukidnon. Right now, we have new set of college scholars whose parents cannot afford to send them to college.
