aboutus

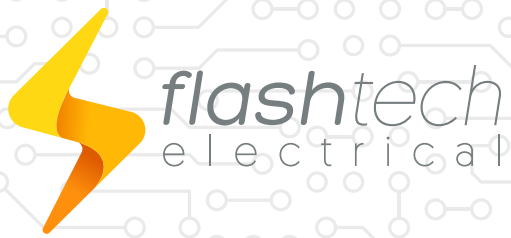

We thank you for affording us this opportunity in introducing our organization to your good selves & include herewith a brief company profile for your perusal. Flashtech undertake and specializes in all electrical requirements from design through to compliance solutions. We are accredited by the ECA Association of S.A. & authorized by them to inspect, test & issue valid compliance certificates for electrical installations.

We also work in close relation to Dept. Manpower and the ECB with regards to consulting on market related costing and /or tendering. Our specialist crews consist only of well trained and experienced professionals with unsurpassed knowledge in the SANS & OHS act compliance & safety requirement parameters, ensuring a finished product which complies completely with the mandatory safety standards.

We have a distinctive commitment in providing top quality efficient service and cost effective solutions to meet the needs of our clients. With pride and care we will address the matters of your company, and can assure you of only the best dedication at all time!
