Prairie State Circuit Standings

1994

Well here are the final circuit standings, compiled by our statistician Gary Westefer. If you have any Questions on totals talk to Gary or contact me and I will relay them to Gary. Best 9 races count. You must run 8 to Qualify for awards or 6 in 19 or younger groups; so even with less points someone with eight or more races ranks higher. Races worked are added to race totals and shown after the + sign. Some totals were lowered due to counting 10 instead of nine races in the last standings. Now on to the results.
