DECORATION PACKAGE DETAILS

This package is ideal for those couples looking for an onsite coordinator that will assist you with setting up the day prior and day of coordination. Pricing for this package ranges from \$800 up to \$1700 depending on special requests, number of guests, construction of floral arrangements, coordination of rehearsal, and amount of items client chooses to incorporate. Cost of package is to be paid at the time of staging meeting.

Service includes decoration / set up of guest, head table, cake, gift table, etc. Decoration of ceremony site, and additional spaces. Coordinator also takes care of tear down of package items following the event. *Clients who bring personal items to decorate must label prior* We ask if you do this package that teardown is done day prior to avoid inventory errors.

For full access to our decorations, the package includes decorations for 35+ tables and additional spaces around the venue.

How it works:

- A google drive album with inventory will be shared with clients.
- Once items are selected and screenshots are sent to the coordinator.
- A staging meeting is scheduled with clients to finalize details.
- Cost will be determined and paid at time of run through meeting.

Additional details to provide to coordinator:

- send inspiration photos
- wedding colors
- theme
- accent colors
- linen color
- table runners
- use of specific items
- floral arrangements

Include must haves and any other special requests. This information will help when pulling items for our staging meeting!

Please refer to the photos in the “decoration package” album for reference.
