### Event Insurance Coverage for Events

Please contact your homeowners/renter's insurance company, if applicable, and request a quote to purchase event liability coverage for the wedding.

If you choose not to go with the online company listed below, we will need proof of coverage that includes the entire policy document emailed to use at [thebarnatfoutslake@gmail.com](mailto:thebarnatfoutslake@gmail.com) the week of event.

We recommend getting a quote for event coverage online through [TheEventHelper.com](https://www.theeventhelper.com). The link and QR code below will direct clients to our prefilled information and once purchased a copy of the coverage will be automatically emailed to us.

Here is our unique link to our application.
