Frey motions to approve L. Berenato to sign the State Historic Grant, again, as the Board had previously approved this grant signing. M. Frey seconds. Motion passes with all in favor. Formal GOCO offer won't come through until December 12<sup>th</sup>, but the public relations department has been in touch with Cindy as of this afternoon, so the outlook is very positive. Fundraising totals just over \$900,000. Goal is over 1 million dollars total, to cover conservation easement and title work, as well as additional fringe costs. L. Berenato had pledged another sum of money from the Town from the 2026 budget. L. Berenato states the Town pledged \$25,000 from the 2025 and 2026 budgets and has agreed to cover the title insurance in full. L. Berenato looks back to the minutes from the prior meeting but does not find the motion there. He will need to review and find what the Town has agreed to. Cindy provides a list of donor names. Donation totals are not listed, but individual donation sums range from \$50.00 to \$250,000.00. Cindy would like to see more Board member names on the list. Purchase and Sale contract expires January 30<sup>th</sup>, and the Town will know where we stand as far as final funding by the end of December. they will extend the contract if needed.

- B. **2024 Audit Update:** Tabled for next meeting
- C. **2026 Budget Presentation (L. Berenato/Budget Committee):** Final Assessors' figures have not been released as of yet, so the budget and associated resolutions are based on the preliminary certification. Key 2026 Budget features include: additional work on the Town Sidewalks, new fill for Dinger Park, and the Cemetery committee submitted their budget request, which was approved and is included in this final budget, so they will be getting new equipment allocated for cemetery use. There is \$10,000 budgeted for new Park Fill. Road Maintenance and repair is separated from the op. maintenance and repair for the first time this year. M. Basham points out that there is a figure missing from the computer software and IT line item, which L. Berenato acknowledges and will make corrections on. L. Berenato moves on to discuss Mill Levy Certifications. In 2024, the Town overtaxed in property taxes, so for the year 2025 the Town has been paying back the overpayment in the form of a cut in property taxes. In 2026, we will be back to 9.308 Mills in general operating and will be getting the voter approved 9 mills for dues to the Clear Creek Fire Authority. Revenue wise, this will only bring in \$42,000 in property taxes but will cover \$40,610.00 due to the CCFA in 2026 This brings the Town to a total of 23.09 Mills. This is the initial reading of the associated resolutions; no vote will be taken today. L. Berenato will work on correcting the missing IT expenditure line item and will distribute a revised budget to the Board ASAP. Adoption will take place on Monday December 8<sup>th</sup> during the Public Hearing for the Budget Adoption.
