2. Documentation of compliance with other permit and approval requirements of these Regulations (Land Use Code Section 4.2.C)

The applicant shall comply with all codes and regulations of the Town governing location and construction of the proposed work. The Town or its agents are authorized to order the immediate cessation of construction at any time a violation of the Building Permit approval or Town codes or regulations appears to have occurred, and such violation may result in the revocation of the Building Permit pursuant to Division 12 of the Town of Silver Plume Land Use Code.
