# Service Descriptions

## General Interior Clean

EcoMarine offers general cleaning to ensure 'everyday' cleanliness and tidiness is maintained inside your yacht. Perfect for pre and post boat trips.

### Includes:

- Flooring - vacuum and mop
- Hard surfaces - clean, disinfect and polish
- General tidy, cleaning and disinfection of kitchen, bathroom, bedrooms & communal areas below deck
- Removal and environmentally responsible disposal of rubbish

Download our [price list](#) or call 055 8537441 to enquire.

## General Exterior Clean

Thorough cleaning of your yacht's deck areas, glass, railings, furnishings and fittings to protect from the elements and ensure a sparkling finish.

### Includes:

- General tidy, cleaning and disinfection of deck areas and furnishings
- Topside wash, de-salt, hose-down and dry

Download our [price list](#) or call 055 8537441 to enquire.

## Interior & Exterior Deep Clean

We recommend our deep clean service on a once-monthly basis to give a more thorough clean to maintain high hygienic and aesthetic standards - both inside and out of your yacht.

### As per general interior & exterior cleaning plus:

- Steam disinfection of bathrooms, kitchen, soft furnishings, hard surfaces and flooring
- Stain removal (carpet/soft furnishings)
- Teak deck cleaning
- Exterior wash, de-salt, hose-down and dry
- Clean and polish windows, railings and fixtures

Download our [price list](#) or call 055 8537441 to enquire.

# Service Descriptions

## Teak Deck Revitalisation

Your beautiful teak decking can lack lustre after time from the UAE sunshine, salt water and general dirt build-up. Using specially eco-formulated teak cleaner, we'll leave your deck looking brand new and protected with naturally occurring grease repellents.

**Includes:**

- Sweep down of decking
- Application and rinse of specialised teak formula

Price based on deck area by sq. ft, call us on 055 8537441 or drop us a line [here](#).

## Bilges, Drains & Tanks Cleaning

Not the most glamorous job - but we're here to do it so you don't have to.

Keeping your yacht's pipes, tanks and bilge clean ensures nasty grease, oil and organic waste deposits are removed to keep systems working optimally - and smelling fresh.

Quote available on [enquiry](#).
