Office Happenings and Doings

December Toy Drive

We will once again partner with Country Kids Food Pantry to collect new, unwrapped toys. These toys will be given to those children who might otherwise not receive anything for the holidays. We will be accepting the toys here at the office the week of Dec. 3rd through Dec. 7th. In addition, Casey Family Chiropractic will once again be making a donation of gift cards to be used to "fill out the stockings" of children in our community. Thanks again for your wonderful generosity!!

Office Holiday Hours

We will have regular office hours through Fri., Dec. 21st. The office will be closed Sat. Dec. 22nd through Thurs. Dec. 27th and will resume regular hours on Fri. Dec. 28th.

The office will be open New Year's Eve for regular hours 8:30-12:30 and 2:30-6:30. The office is closed on Tues. Jan. 1st, 2019. Regular hours resume Wed, Jan. 2nd

"T'was Chiropractic Christmas"

A Christmas favorite in our office newsletters for over 20 years, enjoy!!

'Twas the day before Christmas, but there was no cheer.

No jingle bells jingled, no sound of reindeer.

The word had gone out that Santa was sick

There'd be no friendly visit from jolly St. Nick.

The people were sad; no gaiety sounded

For Christmas had come, but Santa was grounded.

He drove down the road, and what did he see?

But a sign for a doctor who had a D.C.

Now, Santa was not one to try a new tactic,

But all else failed, so he'd try Chiropractic.

He entered the office, and saw at a glance

In a place such as this, illness hasn't a chance.

The office staff smiled, the music was snappy.

With all of the patients contented and happy.

In a very short time, to judge by the clock,

He was in the adjustment room talking to Doc.

“It must be the hurry, the tension and all,
I simply can’t seem to get on the ball.
Life used to be easy, just toys, guns, and whistles.
Now I have to dodge smog, spaceships, and missiles.”

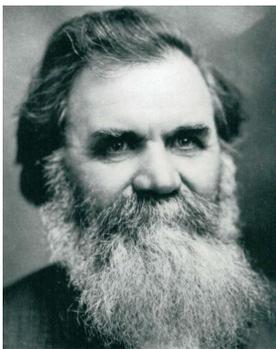

And Doc, take a look at the size of this pack!
Have you any idea what it does to my back?”
Poor Santa was miserable; just barely able
With the help of the doctor, to get on the table.

The doctor was gentle, without fuss or tussle
He examined the vertebrae and relaxed every muscle.
He spotted the trouble and then with a click,
Started aligning the ailing St. Nick.

And Santa felt aches and pains slipping away
In no time at all he began feeling gay.
The air was a-tingle with new fallen snow
And healthy Kris Kringle was rarin’ to go!

As he went out the door, he threw them a kiss.
It was centuries ago since he felt as good as this!
He shouted as he left with his back feeling fine,

“Merry Christmas to all, and to all a good spine!!”

D.D. Palmer, D.C.

Words of the Founders

This quote by Daniel David Palmer, founder of chiropractic points out that chiropractic is safe, effective and simply makes sense!!

"Pressure on nerves causes irritation and tension with deranged functions as a result. Why not release the pressure? Why not adjust the cause instead of treating the effects?"

Our Mission Statement

“We at CASEY FAMILY CHIROPRACTIC are

committed to serving the health care needs of our community by providing the highest quality chiropractic care possible. By educating our patients and practice members to their own inborn healing ability, we seek to make the world a better place one person at time."

"Care To Share" cards now available!

For those of you who have been in our office for a while, you have probably begun to experience the tremendous benefit of chiropractic care for you and your family. If you knew that you could give someone the gift of better health wouldn't you want to do that? Especially if there were no cost to you? Of course you would! We are now making available our Care To Share cards at the front desk and at all of our Chiropractic Orientations. These cards can be given to family or friends and will give them the opportunity to come in for a complimentary consultation to determine how chiropractic can help restore or enhance their health naturally from within! By your simple act of sharing, you may positively change a person's life...for the rest of their lives! Please ask anyone in the office for a card and thank you for your continuing commitment to better health through chiropractic!
