

## MEMO: COVID-19 MONITORING

Dear Families and Friends,

We hope that you are safe and healthy as we fight COVID-19 as a community and a country.

As we monitor and follow the advice of the CDC and public health authorities, this letter is to inform you that we do not have any changes to our timeline currently.

Your child's health and safety are our No. 1 priority – we will closely monitor the situation and let you know if we update our schedule based on recommendations from the public health authorities.

As circumstances allow, we are still preparing for the season. When our coaches find the time in these unique circumstances, they have the opportunity to take [USA Football's national accredited coach certification](#) to ensure a great football experience for our kids.

Please stay tuned for future emails and visit us online at [www.portlandflex.com](http://www.portlandflex.com) and on our social channels Twitter and Facebook @ PDXFLEXFOOTBALL..

On behalf of the entire league be safe and stay healthy.

Best regards,

Tim "Hoss" O' Leary  
President
