“Building on The Firm Foundation of Our Historic Legacy”

PROPOSED RESOLUTION

The following resolution is proposed for consideration by the craft.

Whereas, since the administration of MWPGM Joe L. Smith efforts have been periodically initiated to adopt a Mission, Vision and Purpose Statement for the Grand Lodge; and

Whereas, virtually every successful organization has a clear and precise statement of its reason for existing (mission) and its ideal objectives (vision) that provides clarity of purpose for persons inside and outside of the organization; and

Whereas, the existence of a Mission and Vision statement is often a requirement for an organization to be considered for charitable funding and grants from external entities; and

Whereas, many other Prince Hall Grand Lodges have successfully adopted Mission and Vision statements, thereby better enabling them to advance their charitable programs and community outreach through support from corporate, government, non-profit, and other external organizations.

Therefore, be it Resolved that the MWPHGL of Ohio adopt the following as its Purpose, Mission, and Vision Statements and that said statements be prominently displayed on the Grand Lodge Website upon adoption.
