

April 18<sup>th</sup>, 2024

The Arizona Department of Health Services (ADHS) and the Arizona Chapter of the American Academy of Pediatrics (AzaAAP) are excited to collaborate with the School Nurses Organization of Arizona (SNOA) to provide an opportunity for conference attendees to complete ADHS Hearing or Vision Screener Training as part of the 2024 Annual School Health Conference.

This training opportunity is exclusive to those registered for the conference. There will be no fee for participation in the training.

Attendees will be asked to complete self-paced, online coursework prior to attending the conference and will have the opportunity to complete the hands-on competency requirement during the conference on Tuesday June 11th.

Those traveling to the conference from outside the Phoenix metro area will be prioritized. Additional dates will be made available for those who are unable to complete the hands-on portion at these times.

Please complete the Interest Survey by May 10, 2024 if you are interested in receiving more information:
